measurements	Things								

Data Collection A Data Collection B Sustainability - Energy Data Collection C Food Chains	environments can change and that this can sometimes pose dangers to living things.temperature at which this happens in degrees Celsius (°C)between the pitch of a sound andnot a lamp will light in a simple series circuit, based on object that a batteryidentifying produced itdeforestation and impact on habita	Seeking patterns*recognise that living things can be grouped in a variety of ways*compare and group materials together, according to whether they are gases*identify how sounds are made, associating some of them with something vibrating*identify common appliances that run on electricity*describe the simple functions of the basic parts of the digestive system in humans*know that animals be sorted and classified in different waysMetropreting and communicating*explore and use classification keys to help group, identify of living things in their local and wider environment*compare and group materials change state when they are heated or cooled, and measure or their local and wider environment*describe the simple appliances that run on electricity*describe the simple appliances that run on electricity*describe the simple basic parts of the digestive system in humans*know that animals be sorted and classification*explore and use classification keys to help group, identify of living things in their local and wider environment*observe that some materials change state when they are heated or cooled, and measure or the each or cooled, environment*identify the different through a medium switches and to the ear*identify whether or buzers*censtruct and interpret a variety of interpret a variety of interpret a variety of living things*identify the feature to the ear*recognise that environment
---	--	---

	 Recognise living things in our local area; Identify how things change over the year 		 Recognise living things in our local area; Identify how things change over the year 	 Identify what energy usage is Recognise renewal and non-renewable energy Identify some ways we can reduce our energy usage 	 Compare and draw conclusions from data I have collected. 	 Interpret and draw food chains
Key Questions	Can I ask questions about why environments change and use the answers to draw conclusions? Can I explore and use classification keys to help group, identify and name a variety of living things?	Can I systematically observe and group materials by whether they are a solid, liquid or gas? Can I explain the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature after a practical enquiry? Can I report what happens when materials change state through my own observations?	Can I explain how sounds are made and the role of vibrations? Can I enquire how sounds change with distance and present my findings in different ways? Through enquiry can I predict and find patterns between the pitch of a sound and features of the object that produced it? Can I observe then explain how patterns between the volume of a sound and the strength of the vibrations that produced it?	Can I identify common appliances that run on electricity? Can I explain how a series electrical circuits work and create my own? Can I test the role of a switch in an electrical circuit and present my findings? Can I recognise similarities in some common conductors?	Can I use scientific language to describe the digestive system? Can I identify teeth and explain the differences in their functions? Can I construct and interpret a variety of food chains, identifying producers, predators and prey?	Can I identify ways animals can be sorted? Can I explain that animals live within different habitats? Can I create and use classification keys as a way of separating living things?
	Can I analyse data in a variety of ways?		Can I analyse data in a variety of ways?	Can I identify ways I can reduce my own energy usage?	Can I compare and draw conclusions from data I have collected?	Can I draw food chains and interpret them?
Geography	How can we improve o	ur local area?	A European Journey		Ground Breakers	
Observing patterns	↔ Collect their own data↔ use 8 points of a compared	igital/computer mapping to le from field work and use this t ass, 4 figure grid d key (including the use of	to ask and answer questions	features studied capitals, mountains and g maps to focus on Europe		nd key aspects of physical ates, formation of mountains,
Making connections	ordnance survey maps their knowledge of the	to build UK and Europe from field work and use	(including Russia) con	centrating ions, key physical/human	volcanoes, earthquake	

Developing a sense of place, space and scale Conducting fieldwork	 use fieldwork to observe, measure, record and present the human and physical features, using a range of methods, including sketch maps, plans and graphs and digital technologies Explain how a geographer works to research by asking questions, collect information and answer questions using their field work; 	 Use statistical data about Europe to ask and answer questions Plot journeys of Vikings on maps, suggesting what might have been trials of that geographical location along the way and geographical reasons for wanting to invade new locations Explain the ways and mean that people do and could move round Europe, suggest why some areas are more populated than others Explain what 'culture' is and ways we share and differ in our cultures. 	 of a region in a European country - comparing a European city with Chester describe and understand key aspects of physical and human geography, including: types of settlements and land uses – how do people and systems adapt to living near volcanoes?
Big Ideas and Key Assessment Questions	Research Can I locate our area on a range of maps and find physical and human features of our local area? What services are available in our locality? Can I collect and record evidence? Can I suggest improvements to my locality based on my research? Can I explain how geographers use research to improve our world?	Culture What are the countries, rivers and mountains of Europe called and where are they? What are the human and physical features of some European countries? How are capital cities different?	Observation Why do volcanoes exist? Are volcanoes always dangerous? How can we tell if an eruption is likely to occur? How and why do people choose to live closely to volcanoes? What would it be like to experience one of these events?
History	Invasion in Britain -Iron Age Celts and Roman	Viking Invasion – Vicious or Victorious;	Romans - Pompeii Study (How do we know about
Making interpretations and raising questions Explaining significance Finding	 Invasion Ask different types of questions about the past and Place events, artefacts and historical figures on a tin use dates and terms when describing events; Understand the concept of change over time, repressing suggest connections, contrasts and trends over time Use a range of primary and secondary sources to ge I can compare the life of Romans and Celts; I know why the Romans came to Britain; I know what it might have been like for a Roman 	ne line using dates senting this, along with evidence, on a time line. e and place; t an idea of what it was like at that time;	 ordinary Roman Life?) I know facts about the events of Pompeii; I know how we can use what was found in Pompeii to learn about the life of everyday Romans;
similarities and differences Seeing change and continuity Identifying causes	 soldiers in Britain; I can explain features of Iron Age Celtic life and how it compared with Roman life. I know some ways that the Romans changed life in Britain. 	 my existing knowledge; I know some features of Anglo-Saxon and Viking life; I know some reasons why the Vikings were successful invaders; I can identify some legacies from the Viking and 	 I know how life was different for rich and poor Romans; I can give details about Pliny the Younger and what he witnessed; I know some details of artefacts found at Pompeii.

Develop a sense of chronology	 Describe different accounts of a historical event, explaining some of the reasons why the accounts may differ Use terms like 'invasion' and 'settlement' - be able to give examples, be able to explain why people may have different experiences of them, share examples of these through different times in history Find places Romans then Vikings settled on a map and suggest geographical reasons why this might be Describe the characteristic features of the past, including ideas, beliefs, attitudes and explain how experiences of men, women and children need considering together to give a full view of an era 	 Begin to see how this 'era' links to other areas of history they have studied Use terms like 'invasion' and 'settlement' - be able to give examples, be able to explain why people may have different experiences of them, share examples of these through different times in history Find places Romans then Vikings settled on a map and suggest geographical reasons why this might be describe the characteristic features of the past, including ideas, beliefs, attitudes and explain how experiences of men, women and children need considering together to give a full view of an era use appropriate historical vocabulary to communicate, including: dates; time period; era; change; chronology Use literacy, numeracy and computing skills to a good standard in order to communicate information about the past – think about how to share this clearly with other people 	 Suggest why historians use lots of sources when studying the past Use primary sources to ask and answer questions describe the characteristic features of the past, including ideas, beliefs, attitudes and explain how experiences of men, women and children need considering together to give a full view of an era Explain how different people may have had a different experience of living at the same time e.g. rich and poor, children, men and women
Big Ideas and Key Assessment Questions	Invasion and Settlement I can raise complex questions I can make links across and in my learning I can justify my thinking I can show people may think differently about the same event/person I can develop an understanding of concepts What was it like in Britain before the Romans arrived? Explain some reasons why the Romans come to Britain What changes did the Romans make to life in Britain?	Invasion and Settlement I can raise complex questions I can make links across and in my learning I can justify my thinking I can show people may think differently about the same event/person I can develop an understanding of concepts Why did the Anglo-Saxons settle in Britain? Why do people have different views of the Vikings? How did the Vikings change Britain? How do we know about Anglo-Saxon and Viking life? How and where did the Vikings travel? Why do we need a range of sources when studying history?	Invasion and Settlement I can raise complex questions I can make links across and in my learning I can justify my thinking I can show people may think differently about the same event/person I can develop an understanding of concepts I can describe a timeline of events in the eruption of Vesuvius I can identify what life was like in Pompeii for different groups of Roman people I can use primary sources, asking lots of questions, and identifying what the source can and cannot show me I can use primary sources to find out about life in Roman Pompeii for different groups of people

Skill		valuate the effectiveness of p Ils or techniques to achieve a		or improvements.		
agility	Throwing and catching	s of throwing and catching ituations.	 Identify and repeat the movement patterns and 	 Create a sequence of actions that fit a theme. 	Striking and hitting: Strike with accuracy and control, using at	Running:

balance co-ordination health and fitness co-operative and competitive	 Striking and hitting: Strike with accuracy and control, using at least 3 shots in game situations. Travelling with a ball: Move with the ball using a range of techniques showing control and fluency. Passing a ball: Pass the ball with increasing speed, accuracy and success in a game situation. Using space: Make the best use of space to pass and receive the ball. Possession: Occasionally contribute towards helping their team to keep and win back possession of the ball in a team game. Attacking and defending: Use a range of attacking and defending skills and techniques in a game. 	 actions of a chosen dance style. Compose a dance that reflects the chosen dance style. Confidently improvise with a partner or on their own. Compose longer dance sequences in a small group 	 Use an increasing range of actions, directions and levels in their sequences. Move with clarity, fluency and expression. Show changes of direction, speed and level during a performance. Use equipment to vault in a variety of way Carry out balances, recognising the position of their centre of gravity and how this affects the balance. Begin to develop good technique when travelling, balancing and using equipment. Develop strength, technique and flexibility throughout performances. 	 least 3 shots in game situations Be able to vary where you hit the ball depending on where the fielders are placed Catching and fielding: Demonstrate an effective catching technique; Show a positional awareness of where fielders are best placed Develop a throwing technique which suits different situations Begin to develop a straight arm bowling technique 	 improved technique for sprinting. Carry out an effective sprint finish. Perform a relay, focusing on the baton changeover technique. Speed up and slow down smoothly. Jumping: Learn how to combine a hop, step and jump to perform the standing triple jump. Land safely and with control. Begin to measure the distance jumped. Throwing: Perform a pull throw. Continue to develop techniques to throw for increased distance.
Key Assessment Questions	Can I modify my technique for different situations? Can I make good use of space to pass and receive the ball? Can I demonstrate accuracy with my passing? Can I discuss tactics for attacking and defending, with an awareness of what has worked and not worked? Can I evaluate a performance, suggesting strengths and ways to improve?	Can I repeat patterns and actions of a chosen dance style? Can I improvise with a partner and on my own? Can I compose longer sequences?	Can I create a sequence to a theme? Can I show changes in direction of travel, speed and level? Can I carry out a range of balances, demonstrating control and strength? Can I suggest improvements to my partner's technique?	Can I hit the ball where I intend? Can I show an awareness of where to place fielders? Can I vary my throw depending on what the situation requires? Can I demonstrate a straight arm bowling style?	Can I demonstrate how I have improved my sprinting technique? Can I demonstrate the triple jump? Can I measure accurately and land safely? Can I perform a pull throw? Can I evaluate my own performance and that of others?

RE Religious tolerance Reflection Self- Understanding Wonder Sense of Community Open- mindedness	 Hinduism How do Hindus worship? I can describe and make connections between different features of the religions and worldviews we have studied. I can talk about celebrations, worship, pilgrimages and rituals which mark important points in life and reflect on ideas. I can explore and describe a range of beliefs, symbols and actions so that I can understand different ways of life and ways of expressing meaning. I can consider and apply ideas about ways in which 	Christianity Why do Christians think about Incarnation at Christmas?	 How did Jesus teach about God and values through parables? I can describe and understand links between stories and other aspects of the communities I have been investigating. I can respond thoughtfully to a range of sources of wisdom and to beliefs and teachings that arise from them in different communities. I can observe and understand varied examples of religions and worldviews and can explain, with reasons, their meanings and significance to 	 How can I understand different Easter concepts? I can describe and make connections between different features of the religions and worldviews we have studied. I can talk about celebrations, worship, pilgrimages and rituals which mark important points in life and reflect on ideas I can discuss why worshippers choose to attend a particular place of worship and what it means to belong. 	Judaism How do Jews demonstrate their faith through their communities? I can explore belief in action and make connections with my own life and communities. I can give thoughtful responses using different forms of expression. I can discuss why worshippers choose to attend a particular place of worship and what it means to belong. 	Humanism What is Humanism? I can describe the main beliefs of Humanism and begin to compare it to following a religious belief Say what Humanists think about God Explain how Humanists believe they can be happy Explore the happy human symbol Describe how Humanists celebrate in their lives Explain how Humanists lifestyle plays a role in modern society.
	 I can consider and apply ideas about 		reasons, their meanings and			

Key Assessment Questions	Can I talk about important events in the life of people of faith and reflect on ideas? Can I explore and describe a range of beliefs, symbols and actions? Can I consider ways people of diverse faith can live together with respect?	Can I make connections between religions and worldviews I have studied? Can I consider and discuss examples of key leaders in stories?	Can I respond with respect to a different beliefs and wisdoms? Can I explain the significance of particular events and views to individuals and communities?	Can I make links between my learning about a variety of faiths? Can I explain what faiths have in common? Can I discuss why worshippers attend a place of worship and what it means to belong?	Can I identify what make synagogue special to people of Jewish faith? Can I show respect and reverence? Can I give thoughtful and respectful responses?	Can I describe the main points of a Humanist belief? Can describe how Humanists play a role in modern society? Can I articulate my own beliefs and show respect for others?
